

**GENERAL TERMS AND CONDITIONS OF THE BONUS PROGRAMS OF INVESTMENT  
INTERMEDIARY BENCHMARK FINANCE**

**I. Bonus New Client**

“New Client” is a bonus program through which every new client, who trades on the MetaTrader 4 or 5 platforms, receives up to 20 EUR bonus as a start bonus, as well as doubled rate of bonus money for every trade that he makes in the first 6 months. After generating a certain amount the client can transfer that amount to his trading account and either withdraw them or use them to trade.

**1. Accumulation of the bonus**

Every made trade gives you a certain amount in accordance with the following tariff:

**Tariff for the accumulation of bonus**

**2. Receiving the bonus**

You can transfer your accumulated bonus to your trading account from the real clients' section **BenchMark Clients**. The minimum amount of bonus that you can transfer to your trading account is 25 euros.

The maximum amount of bonus that you can receive during the validity of the bonus program is 2000 euros.

**3. Participation in the program**

To participate in the program, you need to declare your participation from the registration form in the top right corner of the webpage. The participation is not subject to any taxes or other liabilities.

**4. Validity of the bonus**

“New Client” is a bonus program through which every new client, who trades on the MetaTrader 4 or 5 platforms, receives up to 20 EUR bonus as a start bonus, as well as doubled rate of bonus money for every trade that he makes in the first 6 months. After generating a certain amount the client can transfer that amount to his trading account and either withdraw them or use them to trade.

**5. Additional conditions**

All your trading accounts in MetaTrader 4 or 5 are included in the accumulation of the bonus. The bonus program cannot be combined with other bonus programs of BenchMark Finance.

BenchMark Finance reserves its right to change or terminate the “New Client” program at any time without notice. BenchMark Finance reserves its right not to give or remove the bonus in cases of suspected or reported abuse.

## II. Loyal Client

The "Loyal Client" bonus program is a continuation of the "Bonus 3000 euros" bonus program. With this program the clients of BenchMark Finance who trade in the MetaTrader platform, receive cash for every made trade. After accumulation, the bonus can be transferred to the trading account without any additional conditions.

### 1. Participation in the program

The participation in the "Loyal Client" program is automatic but it is necessary for you to have a real trading account in the MetaTrader 4 or 5 platform. The participation is not subject to any taxes or other liabilities. All your trading accounts in MetaTrader 4 or 5 are included in the accumulation of the bonus. The "Loyal Client" bonus program will be active from 1st March 2017.

### "Loyal client" bonus program tariff

### 2. Receiving the bonus

You can transfer your accumulated bonus to your trading account from the real clients' section **BenchMark Clients**. The minimum amount of bonus that you can transfer to your trading account is 25 euros.

The maximum amount of bonus that you can receive during the validity of the bonus program is 3000 euros.

### 3. Validity of the bonus program

The bonus program is valid for 1 year after receiving the initial deposited amount. If you transfer the bonus to your trading account before the expiry date, a new 1-year period takes place.

### 4. Additional conditions

BenchMark Finance reserves its right to change or terminate the "Loyal Client" bonus program at any time without notice. BenchMark Finance reserves its right not to accumulate bonus for a specific financial instrument and also terminate the bonus in cases of suspected or reported abuse.

## III. Refer a friend bonus program

The "Refer a friend" bonus program is a program through which you can refer the MetaTrader platform of BenchMark Finance to a friend of yours. You and your referred friend will receive \$50 bonus each or its equivalency in euros.

### 1. Participation in the program

To refer a friend who does not have a trading account in BenchMark Finance, fill in the registration form in **BenchMark Clients – the online module for real clients**. The participation in the program is automatic after your referred friend opens a real trading account in the MetaTrader platform in the next month after the referral is sent. There are no restrictions in the number of friends that you can refer.

## **2. Receiving the bonus**

The bonus is received immediately on the account of your referred friend who can use it for trading but cannot withdraw it. You will receive your bonus when your friend covers the conditions for releasing the bonus. After releasing, both bonuses can be withdrawn or used for trading without any additional restrictions.

**Important:** When opening a real trading account online, the procedure ends with a mandatory deposit by the client (no requirements for the amount) which is necessary for the identification of the client.

## **3. Releasing and validity of the bonus**

To release both bonuses of 50\$, the referred friend must trade a total volume of 15 lots.

The release period of the bonuses is 3 months starting from the date of participation in the program. The bonuses that are not released in this period are invalid.

## **4. Additional conditions**

The bonus program cannot be combined with any other bonus programs of BenchMark Finance.

BenchMark Finance reserves its right to change or terminate the "Refer a friend" bonus program at any time without notice. BenchMark Finance reserves its right not to give or terminate the bonus in cases of suspected or reported abuse.
